MARK 15:33-39

SUNDAY, OCTOBER 8

“In a real sense all life is inter-related. All people are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly. I can never be what I ought to be until you are what you ought to be, and you can never be what you ought to be until I am what I ought to be...This is the inter-related structure of reality.”
