What is Fair Housing?

Housing discrimination denies people the right to choose the neighborhoods in which they want to live. **The Fairfax County Human Rights Ordinance and The federal Fair Housing Act** guarantee everyone the right to rent or buy housing on a fair and equal basis **regardless of their race, color, religion, national origin, sex, disability, or familial status.** In Fairfax, it is also illegal to discriminate in housing based on marital status or elderliness (age 55+).

The Fairfax County Student Human Rights Commission (SHRC) is holding this contest to create awareness among high school students of fair housing issues and laws and to promote the importance of providing *equal housing opportunities* for all.

For more information about fair housing discrimination or the contest, please contact **the Fairfax County Office of Human Rights & Equity Programs at 703-32-2953, TTY 711** or visit fairfaxcounty.gov/humanrights.
