

Dear New Member,

Welcome! Welcome! Welcome! On behalf of Pastor Wesley and the Alfred Street Baptist Church (ASBC) family it is my pleasure to welcome you to the ASBC Social Justice Ministry. We are excited to have you aboard and cannot wait to see what our Lord has instore for you in the days that lie ahead.

If you are joining this ministry it is likely due to a passion to see the many wrongs and injustices in our society righted, resolved, and reconciled. After all, our Savior Jesus Christ is the greatest of Social Justice Warriors and we seek to emulate Him in everything we do. To that end, we welcome your passion, your energy, your skills, and your gifts. We want to know what social justice issues you are passionate about so we can best help get you plugged in and connected to likeminded members and the various facets of the ministry that are most relevant to you and your talents, so that you can be fruitful and fulfilled.

Along with this welcome letter you will receive some additional sources of important information about the Social Justice Ministry. These will likely be attachments to the welcome email you receive, and among other materials will include:
