## MORE THAN CONQUERORS

Yet in all these things we are more than conquerors through Him who loved us. For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.

**"Witness to Grace: A Testimony of Favor"**

*...exemplifies that Black Lives Matter*

by author W. Franklyn Richardson,  
Senior Pastor of Grace Baptist  
Church, Mt Vernon, New York

From humble and challenging beginnings to honored positions of power and global influence, *Witness to Grace* gives an intimate portrayal of the rise of one of the most respected religious and civil rights leaders of our time. Richardson bares his heart as he reflects on the gut-wrenching disappointment of loss, the unforgivable oppression of a people, the need for understanding, humility, and unification across denominational lines, and the power of education to provide unparalleled opportunities through the all-encompassing grace of God. Against all odds, Richardson found himself the object of God's favor as he leaned on God for strength and direction.

If you have ever questioned the value of your purpose, the significance of your future, and what you have the capacity to overcome, this book will shift your perception of life and give you a renewed path forward.

## FROM THE OFFICE OF CHRISTIAN CARE & COUNSELING

# OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH!

**Domestic violence (also called intimate partner violence (IPV), domestic abuse, or relationship abuse) is a pattern of behaviors used by one partner to maintain power and control over another partner in an intimate relationship.**

Domestic violence does not discriminate. Anyone of any race, age, sexual orientation, religion, or gender can be a victim – or perpetrator – of

domestic violence. It can happen to people who are married, living together, or who are dating. It affects people of all socioeconomic backgrounds and education levels.

Have you ever wondered—is this abuse? Consider these questions.

### **Does your partner ever....**

- Insult, demean, or embarrass you with put-downs?
- Control what you do, who you talk to, or where you go?
- Look at you or act in ways that scare you?
- Push you, slap you, choke you, or hit you?
- Stop you from seeing your friends or family members?
- Control the money in the relationship? Take your money or Social Security check, make you ask for money, or refuse to give you money?
- Make all of the decisions without your input or consideration of your needs?
- Tell you that you're a bad parent or threaten to take away your children?

*continued on next page...*

*...continued from previous page*

- Prevent you from working or attending school?
- Act like the abuse is no big deal, deny the abuse or tell you it's your own fault?
- Destroy your property or threaten to kill your pets?
- Intimidate you with guns, knives, or other weapons?
- Attempt to force you to drop criminal charges?
- Threaten to commit suicide or to kill you?

If you answered yes to even one of these questions, you may be in an unhealthy or abusive relationship. Learn more information here and reach out for help today!
