A BOUNTY OF BLESSINGS

BLESSING JOURNAL

2023 LENTEN SEASON: FEBRUARY 22–APRIL 8, 2023

WELCOME TO LENTEN SEASON 2023

During Lenten Season 2023, our Kids Street family, in honor of God's bountiful blessings, are keeping blessing journals. Each day personal blessings are recorded in this journal from February 22, 2023 through April 8, 2023. By keeping this journal, we are able to see and record the numerous blessings God gives us each day. As we record these blessings, we will faithfully give God thanks for the never-ending LOVE given to us.

This journal will be a Lenten 2023 keepsake. We will discover the amazing, abundant love God gives us. Our response to these blessings will cause us to answer the question, "How can I say thanks for all our God has done in our lives?"

Those who remain faithful in their journal entries will be rewarded on Sunday, April 30, 2023. We welcome you as you take this journey... be faithful and see what the Lord is doing for you.

Praise God from whom all blessings flow!
